### The Breakfast Club

Buttered toast, begone! With the welcome arrival of new Corporate Executive Chef Gregory Casale (the celebrated culinary master formerly of T. Cook's and Marquesa), **PARADISE BAKERY & CAFÉ** has introduced the breakfast crowd to eye-opening gourmet morning meals. The oatmeal (bowled in an oversize oatmeal raisin cookie) and the ooey gooey Nutella-stuffed French toast will please sweet teeth; while rustic Paradise has certainly been found in the flavorsome ranchero omelet and the Southwest wrap. What's on "drip" for Paradise Bakery & Café? A new line of gourmet coffee. [www.paradisebakery.com](http://www.paradisebakery.com).
